Remark:

A) Piston

1) ICS EBB series and M1 Garand use the upgrade POM piston as factory default, no need to upgard

B) Piston Head

1) ICS metal guns use MC-121 8 Holes Ventilation Silent Piston Head as factory default

2) ICS plastic guns use plastic flat head piston head as factory default. We currently do not have the selling part number. Part number will be created when future request.

C) Hop-up

1) ICS EBB and MX5-P series use the metal hop-up set as factory default, no need to upgrade

2) MP-96 MX5-P hop-up set includes inner barrel and hop-up bucking

D) Gearbox Shell

1) We currently do not have the gearbox shell selling item number for UK1C, APE, L85, G33 motor shell, MX5-P motor shell, Galil and SG series. Part numbers will be created when future request.

E) Gearbox Set

1) MA-60 M4 AEG upper gearbox set has M100 spring setting and plastic spring guide as factory default.

2) MA-340 M4/CXP AEG upper gearbox set has M120 spring and plastic spring guide as factory default.

3) MA-273 is for Mk3 with MTR stock; MA-263 is for Mk3 with crane stock.

4) MA-61 is for front wired models; MA-62 is for rear wired models.

5) L85 gearbox does not include the motor set, ML-18 motor shell and MC-225 short pin motor are needed to be purchased together.
